

Conflict Minnesota

Conflict MN is a counter-information website for antagonists in the Twin Cities area.

Counter-information means communiques submitted anonymously claiming acts of sabotage, analysis critiquing forms of policing and social control, events where antagonists can meet and connect in order to build power together.

By antagonists, we mean rebels who act autonomous of organizations regardless of ideological affiliations such as anarchist or communist.

Check it out, get inspired, take action and tell us about it to inspire others.
